NOTICE OF ANNUAL MEETING - 2009

The annual meeting of the Asociacion de Regularizacion de Vecinos de la Cholla (Cholla Bay Homeowners Association) will be held at the Cholla Bay Community Center on **Saturday, April 24, 2010**. The doors will open at 8:00AM to allow members to sign in and receive their ballots. Please come early so the meeting can start promptly at 9:00AM. Voting is on a one vote per membership basis. In order to receive a ballot, the voter's name **MUST** be on the membership records of the *Vecinos* and you must know your Manzana and Lote number. If you cannot be in Cholla Bay for the general meeting, we encourage

NEWSLETTER

you to let your voice be heard through a proxy. Each voting *Vecino* is permitted to vote only one proxy vote. This Power of Attorney (Proxy) form, to permit someone to vote at the *Vecinos* meeting in your place, must be *notarized*. The proxy form with a ballot is included in this newsletter. If you do not have someone to vote your proxy, you may mail it to our PO Box 620, Lukeville AZ 85341. *If you do NOT designate someone to vote your proxy, please see section B part 3 of the voting procedures on page eight.* Many *Vecinos* have inquired why we do not develop a mail-in ballot system. The *Vecinos'* constitution requires all voting to take place at the annual meeting. The proxy system is the only constitutional means to allow absentee ballots. In order to change the *Vecinos'* constitution, 75% of the current membership (525 of roughly 700) would be required to attend the annual meeting. A constitutional change to allow mail-in voting would have to be approved by a majority of the 525 (75%) attending. In the nearly twenty year history of the *Vecinos*, we have never come close to even 25% of the membership in attendance at the annual meeting.

The general assembly will be asked to elect the President (3 year term), the Vice President (2 year term), the Treasurer (1 year term) and four Board members (three positions are for 3 years, one position is for 1 year) and the Mexican Representative (3 year term). The assembly will be asked to approve the minutes of the April 2009 general meeting, prior years financial reports, an operating budget for 2010-2011 with supporting annual dues and to take action with respect to the admission, exclusion, revocation or suspension of members. The members may also be asked to vote on other matters properly coming before the assembly.

The election committee, chaired by Secretary, Shirley McDonald, has accepted statements from the following candidates for the positions up for election at the annual general meeting. Per *Vecinos* Board action, each candidate was allowed to submit an *unedited* statement of up to 300 words for publication in this newsletter.

PRESIDENT 3 YEAR TERM MIKE DUGAN (I)

I have lived in Arizona 33 years with my wife, Rhea of 40 years, and our 2 boys. We also own "The Puppy Place" in Tucson finding homes and families for pup-

pies and kitties.

As most of you know I have been the President for the *Vecinos* for the last 3 years and previously was your Vice-President for three years and your Treasurer for 15 years. I have attended all but three meetings in over twenty years. I recently fully retired from my profession in Arizona and live full-time in Cholla Bay.

During my years of service, we have come a long way, from renting to owning our land, from no public utilities to electricity and the hope for water and sewer. We now have a community club house for all to enjoy. These years have been enjoyable and satisfying to see how we have built a community that has given enjoyment to its residents. There are many more challenges to complete, from the completion of the utilities to the every day needs of our community. Being involved these last 21 years has given me the knowledge I feel will be beneficial to continue serving as your President.

RAY FLINN FOR PRESIDENT CZAR OF CHOLLA BAY

I would like to introduce myself as Ray Flinn, running for President of Cholla Bay. My plan is to communicate effectively and efficiently including member participation to our objectives and provide solutions to our ongoing and new projects and processes. All suggestions will be taken into consideration. I have been visiting Cholla Bay since 1955 as a little boy. Also, I have been a part of the Cholla Bay community since 1986, as a renter and owner with Bank Trust in hand since 1994. As full time resident for the past 3 years, I know our community needs a full time Manager to oversee the community objectives to ensure completion of projects and security of our neighborhoods. I believe that CHANGE is needed in our city. Change for some may be difficult, however I will try to be as fair as possible ensuring that all residents are informed of our processes with the right to offer your suggestions verbally and in writing. A few of my objectives that I plan on accomplishing are; 1. Placing a sun shade over the picnic tables in front of the Club House, 2. Open the fence area that has been blocking one of our neighbors access to his garage, which was rudely denied by the Board, 3. Build a small security guard shack in the corner of our Club House parking lot, having security in two areas and patrolling our homes more frequently. 4. The garbage service is too expensive, paying over \$40,000.00. I know we can reduce our cost by \$24,000.00, which will include 10 dumpster sites. 5. I will be investigating and share with you all where exactly our monies went for the sewer and water and also where the mystery land is that was held for security. Remove unsightly abandoned electrical poles. Thank you very much.

Your concerned neighbor,

Ray Flinn

VICE PRESIDENT 2 YEAR TERM

PAT SLEDGE, JR. (I)

As a homeowner that has seen many changes in the last 20 years, I have mixed feelings about the growth that has taken place. We all knew it was coming way back when, but who would have predicted the way it would come at us and the changes it would create. Even with the changes, Cholla continues to be that sleepy little town that attracted us to the area. However, we are still facing many issues that could keep us from being the haven that we all came here for. Some of the issues we face may not be something we would like to have to face, but they are there. I made a commitment 12 or so years ago to try to manage growth and still keep Cholla as the place we all love and want for the reasons that lured us down here in the first place. That commitment still exists and I would like to continue to serve as your Vice President to keep working in that direction. All of the Board positions are thankless jobs and one often wonders why you would want to be involved for that reason. However, I believe that I would not be happy or fulfilled if I could not feel like I was trying to make a difference for our community. If you so choose to support me, I will continue to work to keep us as that special place to live and/or vacation.

TREASURER 1 YEAR TERM

HELEN DAHLSTROM (I)

Professionally, I have worked in the accounting field for approximately 37 years. Currently, I am the Controller for a couple of companies L & L Manufactured Components, Inc., a roof and floor truss manufacturer and Lauderbach Builders Supply Inc., a pre-hung door mfg and trim carpentry both located in Tucson, AZ. My husband, Rick and I have been coming to Cholla over 30 years and have seen A LOT of changes occur in Cholla Bay, may I say for the better. Cholla Bay is an important part of our lives and that's why I feel the need to get involved. I would also like to add that since I have been involved in the Board I have seen first hand the great strides the Board has made to make Cholla Bay a better place to live. When voting this year, I would like

BOARD MEMBERS

3 - 3 YEAR TERMS

1 - 1 YEAR TERM

TOM CLARK (1)

Fellow Vecinos:

I am currently finishing my first term serving all of the community on the Vecinos board of directors. This has been an interesting experience. I have learned a lot about the community we all have a stake in and how different things work in Mexico. I would appreciate your vote for another term on the Board of directors. There is one specific thing that I would like to accomplish. That is a large water storage tank that would help to insure that the trucks would most likely have water when you need

it!!!

Just a little about myself. My wife and I own Action Appraisals in Kingman, AZ. We are Real Estate appraisers. I am very aware of the workings of Boards as I am also on the board of the Kingman Area Chamber of Commerce, Kingman Regional Medical Center and am the Vice President of the Kingman Airport Authority. I have served in many capacities in these organizations, from a committee person to the Chairman of the Board for the Chamber. I believe I have the experience and knowledge to help our board "Be all it can be".

Thank you for your consideration,

Tom Clark

GRETCHEN ELLINGER

I would like to introduce myself to those of you who have not met me; I am Gretchen Ellinger, and I ask for your vote for a position on the Board of Directors of Vecinos de la Cholla.

I thought I had died and gone to heaven when I was able to purchase my Cholla property nearly 13 years ago, and, despite the challenges our community faces, I am still in love with Cholla Bay. For the past 7 years I have lived and worked in Cholla Bay full-time, operating Casa Monica Cholla Bay Bed & Breakfast, and my real estate business, currently under the banner of Century 21 Sun & Sand. In the past I served as the Vecinos membership chairman for 4 years, and on the Vecinos board of directors during 2008-9, with responsibility for garbage operations in our community. I am deeply interested in the environmental issues facing Cholla Bay, and for several years have been involved in the annual estuary and beach clean-up by University of Arizona students. There are 3 reasons I would appreciate your vote. 1) Having learned lots about how things here really operate, I think it would be beneficial to our membership for more board members to be full-time residents of Cholla Bay. 2) I am (mostly) bilingual, which sometimes helps bridge the gaps we inevitably encounter. 3) I sometimes question what gets done (or doesn't) by our board, and I believe that if we aren't willing to help, we shouldn't complain about what we get! To again represent the membership at large by participa-

tion in the guidance of the growth, and the resolution of the challenges, that face our wonderful community would be a privilege. Your vote will be appreciated!

BLAINE FLETCHER

My name is Blaine Fletcher and I am ready to be your voice on the HOA board! Together we can make Cholla Bay an even better piece of paradise. I have been a resident of Tempe, AZ since 1972 and my wife since early childhood. I have been employed in the adult beverage industry for twenty years, serving various roles from delivery to receiving. We have been coming to Cholla Bay and Rocky Point for many years, my wife since the early 1970's and myself since 1982. My friends and I would camp on Sandy Beach prior to the condo developments. There have been a lot of changes since those days. The shacks and trailers are being replaced by permanent structures and electricity has replaced the use of generators. We have been home owners in Cholla Bay for four years. We chose Cholla for several reasons, sense of community, clubs and organizations, friendliness of residents, local stores and of course the world famous JJ's Cantina. We have made many friends, since our homeownership in Cholla, and enjoy our time spent with them in Mexico. I am currently a member of the CBSC and have been a contributor to CBSC Fishing Derby for the last five years as well as the annual horseshoe tournament which began three years ago. Growth is inevitable and can prove challenging if not approached early on. The growth and development of Cholla Bay is important to us all. We, the residents, need to take an active role in our community to ensure that Cholla continues to be a great place to live and play. I would like to take an active role as a member of our HOA board. Thank you,

Blaine Fletcher, Pirates Paradise, Cholla Bay

BELLA HOWARD

This letter is my formal request to be considered to serve on the board of Cholla's HOA. Although I have been coming to Cholla for over 40 years, and have owned a home in Cholla for 30, I recently became more interested in its "well being" over the last few years. I am a

native of Arizona. Born and raised in Tucson, I graduated from Rincon High School and attended Pima College. I started a successful decorating business (Bella's Decorating) when I was 23 which I dissolved 10 years later when my husband's 30 year career with Chase Bank moved us to Phoenix. Taking care of 2 small children and a mother with Parkinson's disease, my interests turned more to the healthcare field. A little over 2 years ago we built a new home in Cholla. I retired from my 11 year office manager position at Fearon Physical Therapy in Phoenix and have been splitting my time between Phoenix and Cholla. With my husband set to retire next year, and my children on their own, I am in Cholla 2 to 3 weeks of every month. My present goal (if elected) is to simply listen to the issues with an open mind, gather input from the board members and cast my vote/opinion as an informed member. However, healthcare is a growing concern to all of us in Cholla. Available insurance plans and coverage benefits could become an area I would like to research should this become a topic of discussion in the future.

PETE PISCIOTTA (I)

My wife, Janet, and I have been home owners in Cholla Bay for the past 38 years. I am a retired educator, having spent the last 35 years of my career as Instructor of Mathematics and Athletic Director at Glendale Community College. I have served as president of the Glendale Kachina Rotary Club and The Arizona Community College Athletic Conference. Having just completed my 3rd term on the Vecinos Board, I feel that I have gained the experience and insight necessary to continue as a positive force on the Board. As Chairperson of the Roads Committee for the past 5 years, the installation of many road signs, information signs, and the improvement and maintenance of the Cholla roads have occurred under my direction. My reason for wanting to serve on the Vecinos Board is to ensure that the future decisions will make Cholla Bay a better community in which to live. By working together we, the residents and the Vecinos Board, will continue to enhance the quality of life for the residents of Cholla Bay.

Laurie Weber

I landed in Cholla when I was eight, have been a homeowner for the past 30 years, built my dream home two years ago, and now feel that I have the time to serve on our HOA. You probably know me as the short blonde helping out at Xochitl's. I have two specific goals with equal importance that I would like to concentrate on. The first is membership; specifically targeting homeowners that are not members or those that have not renewed their membership annually. My second goal is to listen to the needs of our members and actively involve them (ask for) for input prior to the board making any major decisions so that we (as a board) know we are working for, and doing, what the majority of our homeowners want. For the past 14 years I have owned two businesses, LendAmerica (a commercial real estate mortgage company) and Shoreline Prop-

erties (a real estate company). And, prior to that, I spent 20 years in commercial banking. This experience, combined with my college education (I majored in business and finance), and my extensive Tucson community involvement will further support my new position. I have opened a small real estate company in Cholla and will continue to spend the majority of my time here. A few of my Tucson activities include serving as the 2005 Southern Arizona CCIM (Certified Commercial Investment Member) Chapter President, Treasurer of Executive Connection and board and loan committee member of Business Development Finance Corporation. I hope to make Cholla my primary residence this year and hope you will support me to represent you on our HOA board.

Steve Willis

My name is Steve Willis and I have been coming to Cholla Bay for over fifteen years with my wife Susan and son Troy, and have owned my own home in Cholla for over ten years. I taught sailing in Cholla for six years and have supported the Sportsman Club and new radio equipment to help in the safety of all boaters. After seeing the hard work that the HOA does for the members I feel it is time that I help out by working on the HOA board.

In the last couple of years there have been many improvements to our community and I would work to continue with these projects and any new ones that come up. I have lived in Tucson for nearly forty years and plan to make Cholla my home when we retire. I feel that my extensive construction background will help with any projects related to that field including but not limited to the disputed CC&R's. Please consider me for a position on the board. Thank you,

Steve Willis

Valente attended primary school and secondary school at the Escuela Technical School, #36 (1984-1987) in Puerto Penasco. Upon completion of his local education, he went on to college (1987-1990), graduating and continuing on at the University Of Mexicali from 1990-1994 in civil engineering. He passed all required exams and obtained his professional certificate in 1996 after interning with various civil engineers and architects in Mexicali and Hermosillo. He has been involved in public works in the state of Sonora as well as the city of Puerto Penasco and currently has his own engineering and construction company, *Vconstructions*. He has attended numerous conferences and educational courses since graduating. Much of his work is in Cholla, where he has family ties, and deals with the various utilities, such as Telmex and CFE on a regular basis.

He is acutely aware of the problems and promises surrounding the utility issues in Cholla. Valente speaks and understands English very well and as business requires, regularly travels to the U. S.
